

LIGHT NATION HIGHBAYS

LNHB12, LNHB16, LNHB22, LNHB26 & LNHB32

SAFETY INFORMATION:

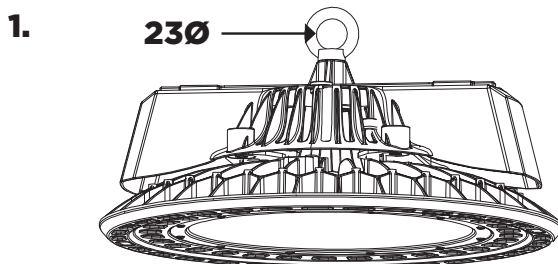

To ensure correct function and safety, please read and follow all instructions carefully before using the product:

- Turn off power before installation or before doing any maintenance work.
- Do not install any luminaire near a heat source.
- Do not exceed the nominal supply voltage or amperage ratings.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling.
- To avoid injury or damage to the fitting, please ensure that power leads and screws are secure before connecting the power.
- All wiring and installation of the light fitting must adhere to AS/NZS 3000 Wiring Rules.

INSTALLATION INSTRUCTIONS:

- Switch on only after complete installation and examination of the circuit.
- Installation and maintenance should only be completed by a registered electrician.

Turn off power supply before starting any installation. Read instructions and check you have all the tools and accessories to complete the installation correctly.

- 2.** Once mounted, adjust the luminaire to the desired height.
- 3.** Connect via a 10A flat pin plug and flex.
- 4.** Turn on power supply and test for correct operation.

Fix luminaire to a suitable chain/suspension cord (not supplied) for the application.

The luminaire comes with a fixed ring for suspension as standard, fit the ring to the M12 threaded hole in the top centre of the driver enclosure.

WARRANTY:

This product is covered by the standard 5 year Light Nation Warranty - proof of purchase is required. Please contact Light Nation for details of returns procedure.

NOTE: This product contains NO user serviceable parts.
